

Homework Menu – Summer 1

Choose at least 1 item from the homework menu to be completed before the end of our first term. You can bring the work into school or send in photos on class dojo.

In the last week, photos will be collated and presented to show off your child’s hard work. Dojos will also be awarded for efforts.

Creative Writing

Write about the experience of eating the best cake ever. How does it look when you first set eyes on it? How amazing was it to plunge your teeth into it? Are your taste buds zinging?

Science experiment!

Time how long it takes an ice cube to melt by itself, in cold water, hot water and boiling water (always do this with adult assistance).

Can I bake a healthy snack?

Create a PowerPoint or poster to detail the water cycle. Annotate your poster to explain each part of the process.

Draw your perfect cake counter in which you sell 5 different cakes, each individually priced.

Create a receipt with a cake order and calculate the price.

Create 4 receipts for 4 customers.

Design a packaging label for a new healthy snack product.

1. How will you make it eye catching?
2. what information will you need on the label?
3. How much will it be?
4. What will your product be called?
